## BECOME A FRANCHISE OWNER

*Valentine is a Quebec-based fast food chain with restaurants across the province.*

### *A growing network*

Over the years, Valentine has developed a comprehensive franchise program to ensure that the company grows in a profitable and efficient manner. Valentine's success is based in large part on the relationship of trust maintained with its business partners, the franchisees, who contribute to the growth of the chain through their involvement and their work within their restaurant.
